JILTED HUBBY KILLS WIFE & JUMPS OFF CLIFF WITH HIS KIDS

DEATHS: Wife was found stabbed to death at home as missing hubby and sons were discovered at cliffs

A SPURNED husband stabbed his wife to death at their posh home then drove 80 miles to jump off a cliff with his two sons, killing himself and both boys.

The bodies of the two youngsters and their father were discovered at the foot of cliffs on the south coast just an hour before their mother was found dead.

Scotland Yard said a murder investigation had been launched after the woman, believed to be in her 40s, was found with stab wounds at her home in Twickenham, south west London, at around 6pm on Monday.

Bodies

Detectives attempted to trace her husband, 57, and two boys – aged seven and 10 – and were later contacted by

Sussex Police about the discovery of three bodies earlier that day. Officers had been called by a member of the public who found a man and two children dead on the beach at the foot of cliffs at Birling Gap, in Eastbourne, East Sussex, shortly before 5pm.

A spokesman for the Metropolitan Police

said: "While formal identification awaits, police believe that they are the deceased woman's immediate family."

No arrests had last night been made and the Met said officers are not looking for anyone else in connection with the investigation.

The London home – which neighbours believe was rented – remained sealed off last night with police tape and had a significant police presence outside.

Forensic

Officers in forensic uniforms were seen inspecting the front garden and bins.

Neighbours said they knew very little about the residents and

believed they were new to the area.

Alicia Mede, 25, a mother-of-two, who lives two doors down, said: "I didn't even know anyone lived there. I have never seen any kids living there or anything."

"I saw Christmas lights on around Christmas time, but that was it."

"I haven't seen anyone come or go."

Yesterday a vehicle was recovered near the seafront scene by Sussex Police.

A spokeswoman for the force added that the three bodies had not been found in the vehicle.

Post-mortem exams have yet to take place and next of kin have been informed.

Stars call for Beeb to be open on pay

BBC stars have signed an open letter calling for "full pay transparency" at the corporation.

Victoria Derbyshire, Naga Munchetty (above), Carrie Grace and Dan Snow are among the signatories.

Last year, a list of the BBC's biggest earners, topped by Radio 2's Chris Evans on more than £2m, revealed a gap in the pay-packets of its best-known male and female stars.

But the letter, which was published in *The Guardian*, calls for "transparency about what everyone earns" at the BBC.

The BBC said in a statement that "we already have a project planned to look at transparency at the BBC which will consider, among other things, whether all salaries from the licence fee should be published and what other measures are necessary that wouldn't put us at a competitive disadvantage".

It added: "The BBC already publishes more information about itself, its operations and its staff than any other broadcaster."

Tragic Alfie appeal fails

THE parents of a 21-month-old boy have lost the latest stage of a fight to continue his life-support treatment.

A High Court judge has ruled that doctors can stop treating Alfie Evans, against the wishes of his parents Kate James and Tom Evans.

Three Court of Appeal judges upheld that decision yesterday.

Judges have heard that Alfie, who was born on May 9, 2016, is in a "semi-vegetative state" and has a degenerative neurological condition doctors had not definitively diagnosed.

Lord Justice McFarlane, Lord Justice McCombe and Lady Justice King dismissed the couple's challenge.

Barrister Stephen Knafler QC, who is leading Alfie's parents' legal team, said "the State" had wrongly interfered with "parental choice".

FRY URGES POTTER FANS TO STEP UP

ENTERTAINER Stephen Fry is urging people to join a Hogwarts League and get stepping for the Sport Relief Billion Steps Challenge.

The league, which is within the Sport Relief app, gives *Harry Potter* fans the chance to go head-to-head to step their

house to the top of the leaderboard.

Fans taking part can sign up to their Hogwarts house – at www.sportrelief.com/app – as teams Gryffindor, Hufflepuff, Ravenclaw and Slytherin.

They then see who can do the most steps, helping the nation to beat the

Billion Steps A Day Challenge, every day from March 17-23.

Stephen (left) – who recently revealed he had undergone surgery for prostate cancer – said: "I don't need a Sorting Hat, I've downloaded the Sport Relief app, and I'm stepping for Slytherin."

The 25-year-old beauty found fame on the MTV show in 2011 and stayed for five years.

+++ RUSSIAN SPY POISONING LATEST +++

Sexy spy swapped for poison victim... **NAKED**

THESE sensational naked pictures of infamous Russian spy Anna Chapman show her cover is well and truly blown.

The beauty, 36, was one of the sleeper agents that the dodgy Ruskses installed in the U.S. in the 2000s to await further orders.

Now the ex-spook – once married to a British former public schoolboy – is a propagandist for the Kremlin.

But her revealing nude snaps – with her fanny and everything on show – are sure to cause concern for the powers that be in Moscow, which is famously conservative about everything.

One Kremlin source said: “Anna was a great asset to us when we needed a honey-trap to hopefully lure in Western sources for information.

“The truth is, these days she’s more of a liability than an asset.

“She is more of a propaganda tool now.”

Woman on bench is agent's daughter

POISONED: Ex-spy Sergei Skripal and daughter Yulia

THE woman found comatose beside poisoned spy Sergei Skripal on a bench in Salisbury was revealed yesterday as his 33-year-old daughter Yulia.

Sergei Skripal – who had been brought to Britain in a Cold War-style ‘spy-swap’ after he was caught passing Russian secrets to MI6 – and his daughter were rushed to hospital on Sunday after collapsing on a bench outside a shopping centre.

They both remain in a critical condition after health chiefs revealed they were exposed to an ‘unknown substance’.

Two cops who were the first to come into contact with the pair were also admitted to hospital suffering from itchy eyes, rashes and wheezing.

Up to 10 other people suffered symptoms, including vomiting.

One member of the emergency services remains in hospital and police have now sealed off a large pub in the city centre, as well as putting cordons around the park where the pair

were discovered, an Italian restaurant and the victim's home.

Tests on the substance involved are being carried out.

A number of experts have said Mr Skripal, who unmasked dozens of Russian agents, may have been the target of a revenge ‘hit’ by former KGB colleagues.

NATIONAL BOSS: Gareth Southgate

ENGLAND'S World Cup dreams could be over amid threats of a BOYCOTT from Foreign Secretary Boris Johnson.

Manager Gareth Southgate, 47, and his Three Lions squad are set to jet out to Moscow this summer.

But their place in the tournament is in jeopardy after the suspected assassination attempt of former Russian spy, Sergei Skripal.

The 66-year-old former secret agent was rushed to hospital on Sunday after collapsing on a bench in Salisbury with health chiefs claiming he'd been exposed to an ‘unknown substance’.

Boris, 53, said in the

House of Commons that UK representation at the international football event would be “difficult to see” if the Kremlin is shown to be responsible for the attack.

He said: “If things turn out to be as many members suspect we will have to have a serious conversation about our

engagement with Russia.

“Thinking ahead to the World Cup this summer, it would be difficult to imagine that UK representation at that event could go ahead. We will certainly have to consider that.”

With the World Cup set to kick off in less than 100 days, fans hopes of seeing in-form striker Harry Kane, 24, shine have been dashed by the MP's comments.

As well as putting England's World Cup place in doubt, Johnson also hinted at a range of new sanctions on the world's largest nation.

He insisted that any attempt to kill on British soil “will not go unsanctioned or unpunished” and vowed that the Government would stand up for the “lives, values and freedom” of people in the UK.

British relations with

Russia have been chilly since President Vladimir Putin, 65, was suspected of personally ordering the murder of former Russian agent Alexander Litvinenko, 43, back in 2006.

Radioactive

Litvinenko suddenly fell ill and later died in hospital after being poisoned with radioactive polonium following a

meeting with Russian KGB members in London.

With another former spy, Skripal, in a similar condition in hospital, British politicians are fearing yet another assassination attempt by the Russians.

Boris added: “It is too early to speculate as to the precise nature of the crime or attempted crime that has taken place in Salisbury.

“But I know members

will have their suspicions. “Though I am not now pointing fingers, I say to governments around the world that no attempt to take innocent life on UK soil will go unsanctioned or unpunished.”

Skripal who had recently told police he feared for his life, was rushed to hospital along with a 33-year-old woman, believed to be his daughter, after collapsing in Salisbury.

Jobless man knifed pal on London bus

A **JOBLESS** man has admitted stabbing his friend to death on the top deck of a London bus.

John Doherty, 39, had been out drinking with Archie Sheppard, 48, before the pair got on the number 189 in the early hours of April 28 last year.

It had travelled from Brent Cross to Marble Arch and was on the return journey in Marylebone when Mr Sheppard (*above*) was subjected to a violent and sustained attack.

Paramedics were called to the bus but Mr Sheppard, from Neasden, north west London, was pronounced dead at the scene.

Doherty was arrested in Neasden the following day and was found to be carrying two knives.

On the first day of his trial at the Old Bailey, he pleaded guilty to murder and three counts of possessing an offensive weapon.

Doherty, of Fulham, will be sentenced on Friday.

Fellow employees watched on in disbelief as the man, thought to be in his early 40s, performed the disgusting act at the Ball Corporation centre in Milton Keynes, Buckinghamshire.

It is understood the man was a temporary worker who had been in the job for several months but has now been dismissed.

A source said: "It was not only revolting but a real hygiene risk."

"Who would want pee all over their drinks can?"

"As soon as it happened he was marched off the premises and has not been allowed back."

The plant is responsible for manufacturing cans for Coca-Cola, Carlsberg and energy drink Monster.

SEX-OBSESSED PEEPING TOM CAGED FOR HAMMER MURDER OF TEACHER

BATTERED TO DEATH:
Florina Pastina

Perv gets 20 years

By **EMILY PENNINK**
news@sundaysport.co.uk

A MAN who became obsessed with his female housemate has been jailed for 20 years for her killing in a horror hammer attack.

Lucian Stinci, 34, was so infatuated with primary school teacher Florina Pastina, 36, that he installed spy cams to watch her in the shower of their shared house in Croydon, south London.

Even though she showed no interest in the Romanian, he sent her Valentine's Day cards, calling her the "most beautiful creature from the universe", the Old Bailey heard.

The night before the killing, he spent six hours drinking cider, taking 6g of cocaine and a Viagra-like drug as he watched sadomasochistic videos of women being tortured, raped and killed.

Extreme

On the morning of July 19 last year, still "fired up" by the drugs and extreme porn, Stinci texted a colleague to say he had something to do before work.

Armed with a hammer, he hit Ms Pastina from behind as she made coffee in the kitchen.

He then continued to batter her over the head as she lay on the floor, causing blood to spatter all over the room.

She also suffered burns to the pubic area from boiling water, which Judge Richard Marks QC said was "likely" to have been deliberately poured from a kettle.

Having fatally injured his victim, Stinci used

BANGED UP: Lucian Stinci

the same hammer to batter her nephew and niece Nicholas Hellen and Claudia Pastina, both 25.

They managed to escape and Stinci hid the hammer outside and changed his clothes before police arrived.

Mr Hellen was left needing stitches for a cut on the head and his twin sister suffered bruising.

Investigators later found seven videos of Ms Pastina in the shower at the house.

Last week, Stinci pleaded guilty to her murder as well as assault occasioning actual bodily harm, unlawful wounding and possession of cocaine.

Jailing him for life with a minimum of 20 years, Judge Marks said it was a "vicious" assault, fuelled by cocaine and "disgusting" porn material.

It was clear Ms Pastina's former pupils "thought the world of her" and she was an "understanding person who was greatly loved", he added.

Ms Pastina came to Britain from Romania in 2010 and was working at Thornton Heath School at the time of her murder.

Doc cleared of sex attacks

A **DOCTOR** has been cleared of sexually assaulting five female patients he had been accused of attacking over a 10-day period.

Dr Amirul Haque, 33, was found not guilty of five charges by a jury at Wolverhampton Crown Court.

Haque, of Birmingham, denied committing five counts of assault while training in general practice at a surgery in the Dudley area of the West Midlands.

Lambert to join Queen at festival

QUEEN and Adam Lambert have been named as the final headliners for this year's TRNSMT festival.

Texas, The Darkness and The Temperance Movement have also been added to the bill at the Glasgow Green event, which will be held over two weekends at the end of June and start of July.

Original Queen members Brian May and Roger Taylor have been performing with *American Idol* star Lambert (above) on tour for around six years and their TRNSMT appearance on Friday July 6 will be their only UK show outside of three sold out London concerts this year.

Stereophonics, Liam Gallagher, Arctic Monkeys and The Killers have already been named as headline performers at the festival.

Around 120,000 music fans attended the inaugural TRNSMT festival in 2017 when Radiohead, Kasabian and Biffy Clyro performed.

Sainsbury's in staff pay boost

SUPERMARKET giant Sainsbury's is to increase its basic pay by £1.20 an hour to £9.20, and £9.80 in London, well above the national living wage.

The company said it will be investing £100m in its employees this year, adding the pay rise will be funded by cost savings.

A new contract is being introduced for all 130,000 staff. The number of roles will be cut from 22 to six – trading assistant, food services assistant, online assistant, general merchandise and clothing assistant, and services assistant.

A bonus usually paid in the spring will end, as will paid breaks.

JAMES BOND VOLCANO ERUPTS

BLOW JOB: Volcano in Bond film (below) and Connery as 007 (right)

I'm shcared Mish Money Penny!

A VOLCANO featured in a James Bond film has erupted.

Smoke and ash was seen billowing thousands of feet into the air at the scene in southern Japan, grounding dozens of flights to and from a nearby airport. The Meteorological Agency said the Shinmoedake volcano erupted violently several times, shooting out ash and smoke up to 7,500 feet in its biggest explosion since 2011.

It said some lava was rising from inside a crater at the volcano. The volcano, seen in the 1967 Bond film *You Only Live Twice* that starred Sean Connery as 007, has had smaller eruptions since last week.

Entry to the 4,660ft volcano was restricted and about 80 flights in and out of nearby Kagoshima Airport were cancelled. Japan has 110 active volcanoes. There were no reports of injuries or damage from the eruptions.

We'll soon get you flying – in a TAXI!

PORSCHE could make FLYING TAXIS to compete with rivals.

Journeys would potentially be cut down to a tenth of their current length by utilising airspace.

Sales chief Detlev von Platen said the German luxury car firm could join a raft of companies working on designs for flying cars.

He said: "That would really make sense. If I drive from the Porsche plant in Zuffenhausen to Stuttgart airport, I need at least half-an-hour, if I'm lucky."

"Flying would take only three-and-a-half minutes."

Under Porsche's plans, passengers would have some control over the vehicle but most of the car's functions would be automated.

KERRY: I'M GOING TO BECOME A STRIPPER!

By **BECCA STUBBS**becca@sundaysport.co.uk

TELLY personality Kerry Katona says she might become a STRIPPER after being paid to peel off.

The 37-year-old babe has lost an impressive two stones over the past few months and has regularly appeared on daytime TV wearing a skimpy two-piece. Keen to show off her incredible new body, the mum-of-five peeled off her clothes on *Good Morning Britain* and sat on the panel in just a lime green two-piece.

And after being paid generously for her appearance, Kerry is considering a completely new line of work involving her stunning new figure.

She said: "I'm in a bikini. They pay me to take my clothes off. I'll take my clothes off."

"I've got kids to feed! I might as well become a stripper."

Slurred

Former Atomic Kitten singer Kerry has twice been made bankrupt and is clearly keen on avoiding a third low point.

However, she is reportedly finding work difficult to come by and blames her car crash interview on *This Morning* in 2008, where she famously slurred her speech.

Kerry always maintained her disastrous appearance was down to her bipolar disorder medication.

In addition to her stripper ambition, Kerry is set to spill the beans on her sex life with new best friend and former *Real Housewives of Cheshire* star, Ampika Pickston.

Kerry has promised the candid chat with Ampika, 36, will be 'raw, emotional' and involves plenty of sex talk.

Freak snow fall kills mum & son

A MASSIVE block of snow fell from a roof and buried a woman and her son just feet from their front door.

Olga Perkovic and Aaron Goodstein, 7, had been skiing in the Sierra Nevada mountains near the Nevada state line in California.

They were returning home on Sunday when a chunk about the size of a trailer fell from the roof, burying them under about a metre of snow.

"It was a freak accident," Undersheriff Spencer Pace said, adding that warming temperatures often cause snow to slide off roofs, and that occasionally people get injured.

But he said neither he nor the sheriff could recall sliding snow ever killing anyone in the three decades they have worked in the area.

TRICKERY:
Actor Tom Burke has got two legs in real life

VIEWERS gripped by the latest series of BBC thriller *Strike* will be gobsmacked to learn the actor who plays one-legged Cormoran Strike has in fact got TWO LEGS!

Fans of the crime show, based on JK Rowling's books, were stunned when they realised the character's missing limb was the result of amazing special effects.

Actor Tom Burke's amputated leg and the stump are repeatedly seen and many believed Tom was himself an amputee.

Director Michael Keller revealed: "There were a few different tricks that we employed."

"I was very keen that we see the prosthetic leg off, and no leg all in one shot."

"And I'd seen this film, *Rust & Bone*, where Marion Cotillard gets both her legs taken off in an accident. So I studied how they did that using greenscreen technology."

"Then we used trick photography to remove it."

One excited fan tweeted: "Can't believe it's not a real stump - amazing FX, BBC. Well done!"

And another joked: "He's

got both legs?! Pull the other one!"

But the ingenuity and technology of the Sunday night show has not been universally applauded.

Chris Travis, of Stump, an amputee action group which campaigns for equal rights for those who have lost limbs, said: "This is all very clever but it begs the question - why didn't the BBC use an amputee actor in the role?"

"For a company which tries to portray itself as PC, it's a shame the BBC didn't take the chance to strike a real blow for them."

"Picking a two-legged actor to play an amputee is like blacking up a white man to play Nelson Mandela."

Lego bricks it after sales fall

TOY giant Lego has admitted making too many bricks.

The company said that sales and profits had fallen for the first time in 13 years, and blamed its weak performance on having to sell off toys cheaply.

A Lego spokeswoman said it had "too much" stock in warehouses and shops.

"There wasn't enough room to get 2017 toys into the stores, and the toy trade is driven by newness," she added.

The Danish toymaker said dealing with the stock issue, as well as a drop in sales in Europe and North America, had dragged down its performance last year.

Lego Group boss Niels Christiansen said there was "no quick fix" and it would take the firm "some time" to grow long term.

Em laughs off fake tatt gaff

HOLLYWOOD's Emma Watson has poked fun at herself over a grammatically incorrect fake tattoo she showed off at an Oscars party.

The *Harry Potter* beauty was pictured on the red carpet at the Vanity Fair event with a "Times Up" tatt on her right forearm – missing an apostrophe.

Fans were unsure whether the inking was real or fake, but the *Beauty and the Beast*

babe confirmed it was a temporary one as she joked about the error.

She tweeted: "Fake tattoo proofreading position available. Experience with apostrophes a must."

The 27-year-old was among the stars at the Oscars, many of whom wore pins backing the Time's Up movement against sexual harassment.

The most hardcore mainstream sex romps EVER!

HOLLYWOOD sensation Jennifer Lawrence stripped off and spread her legs in her most EXPLICIT movie scenes to date in the film everyone's talking about – *Red Sparrow*.

Jennifer, 27, plays Russian spy Dominika Egorova, but it's her bare-boobed activity which has stolen the headlines.

Starkers

In one of the kinky scenes from the film, Jennifer strips completely starkers and lies spread-eagled on a table as her character takes part in seduction training for spies.

Sherilyn Fenn
Two Moon Junction (1988)

DIRECTOR Zalman King's crackpot masterpiece sees a spoiled Southern debutante, played by Sherilyn Fenn, 53, fall for a carnival worker (Richard Tyson) on the eve of her wedding.

Their raunchy sex scene in a barn sees Fenn straddling Tyson in a flash of horny passion.

It's one of the hottest sex scenes of all time.

RED SPARROW MOVIE SCENES...

By **BECCA STUBBS**

becca@sundaysport.co.uk

Despite the X-rated movie moment, Jennifer isn't the first actress to shock audiences and plenty others have gone nude before her.

Whether it's ambiguous "did-they-didn't-they" sex scenes to actual onscreen filth, here in this 4-page special we show the hottest ever romps shown in mainstream films...

Chloe Sevigny
The Brown Bunny (2003)

BLONDE beauty Chloe, 43, gained notoriety in 2003 when she starred in this shockingly rude independent movie.

The stunna wowed cinema audiences when she got down on her knees and gave her ex-boyfriend co-star and director Vincent Gallo, 56, a real steamy blowjob. Horrified movie people

declared that her career would never survive such a scandal, but in fact quite the opposite happened – she got her first studio movie role on the back of it in *Zodiac* and has been in demand ever since.

It seems Hollywood likes it when stars get 'real' every now and then.

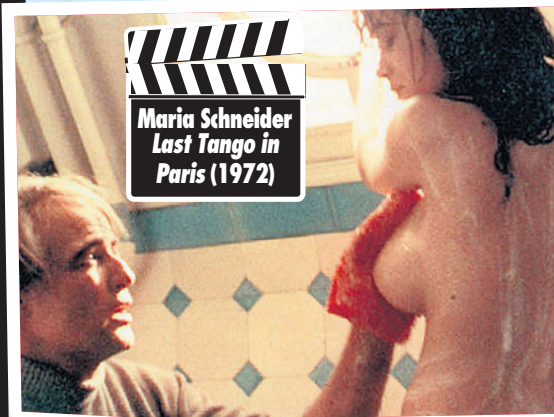

Lea Seydoux
Blue is the Warmest Colour (2013)

THIS French coming-of-age movie followed two girls who began a seriously sexy lesbian relationship – with every bonk played out in full graphic detail on screens.

Lea, 32, and Adele Exarchopoulos, 24, scissored their way to satisfaction and their efforts on camera saw them win the 2013 Palme d'Or at the Cannes Film

Festival. It's French, it's about teen lesbians and it shows the lot.

You don't really have to be a film buff to get real pleasure from this movie!

Maria Schneider
Last Tango in Paris (1972)

TOPLESS babe Maria Schneider went down in movie history for her role in *Last Tango in Paris*.

The drama movie follows a couple who meet up purely for sex – but one scene caused wild controversy when the characters used their imagination and turned butter into a lubricant for their anal sex action.

There were rumours that Maria and Marlon Brando got a bit closer than the director strictly needed for the scene, but it was unlikely given the dozen members of the movie crew watching their every move!

Helen Mirren
Caligula (1979)

THIS Roman epic of orgies pulled no punches and spared no blushes – not surprising as the man behind it was Penthouse founder Bob Guccione.

When it hit the cinemas in 1979, it shocked with

wild sex scenes involving stars Malcolm McDowell and a young Helen Mirren as well as lashings of blood and gore. It became the highest grossing independent porn movie of all time.

Nicole Kidman
Eyes Wide Shut (1999)

DESPITE some extremely X-rated scenes obscured from American audiences, the full orgy scenes were restored for DVDs.

Tom Cruise, 55, and Nicole Kidman, 50, were married at the time of filming and their

undeniable chemistry in the kinkfest flick only added to the steamy shagging scenes – of which there were plenty.

Their special relationship meant it shouldn't have been such a shock... but it still was!

Salma Hayek
Frida (2002)

STUNNING Salma Hayek's portrayal of Kahlo in this movie earned her Best Actress nominations from the Oscars and the Golden Globes.

The now-51-year-old's racy lesbian love scene with actress Karine Plantadit, 48, has long been thought of as one of Hollywood's hottest ever.

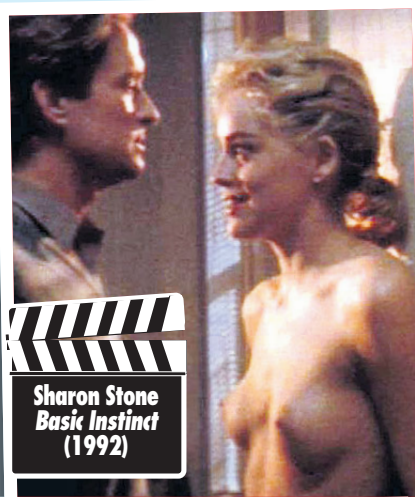

Linda Lovelace
Deep Throat
(1972)

LINDA Lovelace became a legend for this film. After a routine visit to her doc, her character discovers she had a throat abnormality and her GP suggested a very novel way of taking advantage of it.

So the late Linda became the blowjob queen of all time – taking one big cock after another between her luscious lips.

With her clitoris in her throat, she sets about seeing how many times she can have oral sex with well-hung hunks to bring her to a climax.

Sharon Stone
Basic Instinct
(1992)

Carré Otis
Wild Orchid
(1989)

AMERICAN beauty Carré Otis, 49, peeled off every inch of her clothing in very very hot scenes in this drama movie with wildman Mickey Rourke.

In on-screen action, which is wrongly imagined to be real, the pair of them deliver some of the most intense and arousing sex scenes ever to appear in a mainstream movie.

DESPITE a long movie career, with a number of hits under her belt, blonde bombshell Sharon Stone, 59, could never better her raunchy performance in the blockbuster thriller.

In one memorable scene, the beauty uncrosses her legs to expose her bare fanny.

Margo Stilley
9 Songs (2004)

A HORNY couple, played by Margo Stilley, 35, and Kieran O'Brien, 44, embark on a journey centred solely on seeing rock shows and then shagging.

Packed full of REAL sex scenes, one showed lead actor Kieran jizz on camera, making him the first mainstream actor in British cinema to do so.

Kim Basinger
9½ Weeks
(1986)

MICKEY Rourke clearly had an appetite for sex scenes with some of Hollywood's most beautiful women – this time it was sultry Kim Basinger.

These ones were a bit more controversial though – no question that they were simulated but the sadistic nature of some of the action caused a real stir when the film hit the cinemas.

Taimie Hunan
Kama Sutra
(1997)

THE film version of the most famous book on sex was bound to be full of horny, kinky shagging scenes – and it didn't disappoint. In one of its raunchiest moments, Taimie Hunan and her male co-star have a rampant romp while standing in a doorway.

THE three-part franchise based on the steamy books by E L James burst onto cinema screens – and set sales of bondage inspired toys soaring, thanks to fans wanting to recreate the film's filthy antics.

Dakota, 28, and her

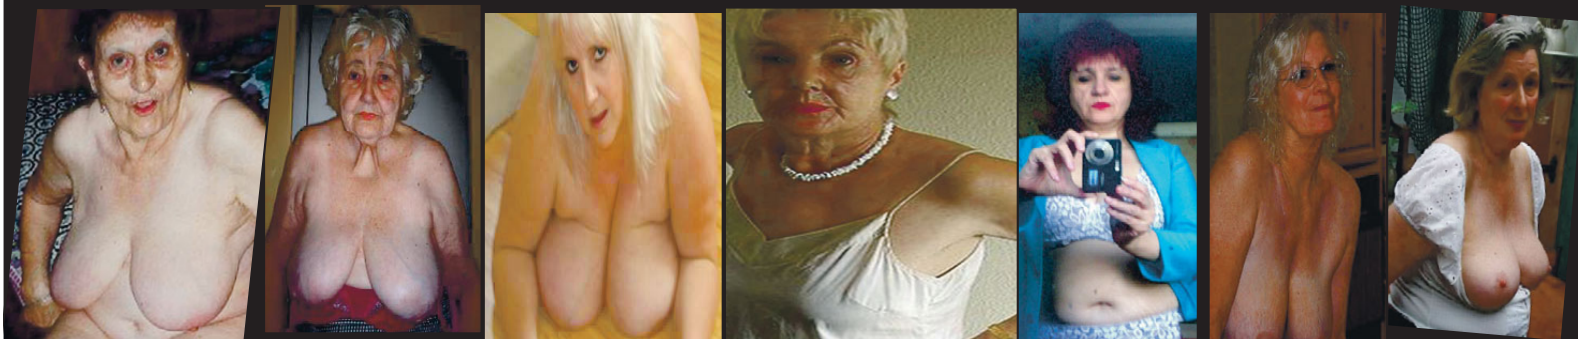

co-star Jamie Dornan, 35, barely kept their hands off each other as they whipped, licked, sucked and shagged their way through their BDSM relationship.

It certainly got us all tied up in knots in the bedroom!

Charl slams 'desperate' Rooney girl

REALITY telly babe Charlotte Dawson has laid into Laura Simpson for constantly goading WAG Coleen Rooney.

Charlotte, 23 (above), blasted the red-haired stunna after Laura joked on social media about the night out she spent with footballer Wayne Rooney, 32, last September.

Laura, 29, seems unashamed of her antics with the Everton player, who was nicked for drink-driving on their boozy night.

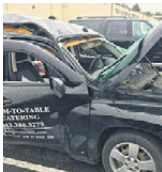

However, Charlotte isn't impressed by Laura and said: "I wish Laura would stop talking about Wayne Rooney."

"It makes her look desperate – and it's not fair on Coleen. Laura should date someone out of the public eye and keep it to herself. "Coleen deserves better, but no-one knows what goes on behind closed doors."

Last month Laura boasted on Twitter last month about her 'dirty night of passion' with *Big Brother*'s Jeremy McConnell, 28.

Deodorant ciggie man blows up car

A CAR blew up when a driver lit a cigarette after spraying himself with deodorant.

The combination caused "a sudden and violent expansion of the air molecules" in the car.

It created a boom that pushed the roof up, shattered the front window and blew the doors open, said a police spokeswoman in Woodlawn, Maryland.

She said the driver appeared unharmed and was taken to a hospital to check for hearing damage.

Medics confirmed the man had been treated for minor burns but had had a lucky escape.

MUM CATCHES TEACHER GIVING SON BLOWJOB

A TEACHER is facing jail after she was caught having sex with a 15-year-old boy by the lad's mother at their home.

Natalya Nikandrova was caught performing a sex act on the teenager.

The 35-year-old, who was friends with the mum, had been taken on to tutor the boy privately.

He often posts photos of himself on social media with beautiful women and expensive cars.

His oil tycoon father and his mother decided to have him home-educated with some of the best teachers in St Petersburg, Russia.

"The teacher has been charged."

There was a mixed reaction on social media. One tweeted: "I would tear out all her hair if I saw her giving my underage son a blow job."

But another posted: 'I wish I had such a teacher like her when I was 15.'

Having sex with a minor carries a possible sentence of four years in prison.

Horried

But after taking on the family friend, the horrified mum walked in to find the woman seducing her son during her first lesson with him.

A police spokesman said: "The suspect started seducing her pupil and it was her initiative."

Glee-ful exposure as Lea nips out

GLEE actress Lea Michele flashed her nipple as she dared to bare in a plunging little black dress.

The 31-year-old brunette beauty exposed her bare boob when she left celebrity hotspot Craig's Restaurant in Hollywood, Los Angeles.

As she clambered into a taxi after her evening out, Lea ended up showing her pert pair in the sexy, slinky outfit which also featured tons of gold sequins.

Docs' op on wrong brain

STAFF have been suspended at a hospital after the wrong patient underwent BRAIN SURGERY.

One patient needed an op for a blood clot on the brain, the other only non-invasive treatment for swelling.

But a horrifying mix-up of identification tags saw the wrong man operated on, reports say.

Doctors did not realise their mistake until "hours into the surgery", according to Nairobi's Daily Nation newspaper.

The patient who was operated on is recovering and an investigation is under way.

DRUG DRONES DELIVER SPICE TO JAIL CELL WINDOWS

By HAYDEN SMITH news@sundaysport.co.uk

PRISONERS are getting illegal drugs flown straight to their cell windows by drone in a "Deliveroo-style" ordering scheme, the Justice Secretary has revealed.

David Gauke also highlighted how some inmates deliberately breach their licence conditions after being released so they are returned to custody to smuggle in more illicit substances.

He said that criminal gangs are exploiting the "captive market" behind bars to reap lucrative returns from the sale of drugs.

The emergence of new substances such as Spice have created a "perfect storm".

Sophisticated

Mr Gauke set out how new technologies have empowered gangs to be more "sophisticated and brazen" in their smuggling methods.

He said: "Spice, and other drugs, ordered with a 'Deliveroo-style' responsiveness on tiny mobile phones from prison cells and delivered by drones direct to cell windows.

"The paint used in supposed children's drawings sent to their parent in prison laced with liquid psychoactive drugs.

"Gangs engineering situations where a prisoner, who has been

SHOCKED: Mr Gauke

released from prison, deliberately breaches their licence conditions so they are sent back to smuggle in more drugs.

"Gangs enforcing control by using threats and violence towards prisoners, extorting their families and attempting to corrupt prison staff."

Giving his first major speech since his January appointment, Mr Gauke said he had been "shocked and sickened" by videos of prisoners posted on social media showing the "terrifying" impact Spice can have.

#HOT'N'HORNY

TOPLESS totty Tara May likes to make sure she looks incredible from every angle and loves it when a man takes control in bed.

The curvy Chelmsford model, 27, said confidence in a man is a real turn-on and she likes to see exactly what's going on by leaving all the lights on.

Tara said: "I like a guy who isn't afraid to take control in the bedroom. I love it when a man flings me onto the bed and has his wicked way with me."

"Confidence in a man is a major turn-on, too."

"I like to make an effort for a lover – most men are very visual creatures so I'm certainly not one of those women who has to have all the lights off."

The 32DD stunna posed in a saucy set of cut-out lingerie for these sexed-up snaps.

And she reckons her bum is her best body part – although we're struggling to pick out just one part.

Tara added: "I'd say it's my bum. I do plenty of squats to keep it in great shape."

"You have to look good from behind for a bit of doggy action!"

TOWIE babes fall out over Ferne's pay

FORMER *TOWIE* stars Ferne McCann and Samantha Faiers are reportedly AT WAR over their reality shows.

Ferne and Sam, both 27, were inseparable, but Sam and her sister Billie, 28, refused to answer questions about Ferne (*above*) as they promoted the third series of their show *The Mummy Diaries*.

A source has revealed the pair have fallen out over Ferne's pay packet, claiming: "Sam's team are furious, as they've heard Ferne got £250,000 for her reality show in December – whereas Sam only got a tenth of that for her first show."

"They feel like Ferne is trying to muscle in on her territory. It was nothing malicious on Ferne's part, as her management always wanted her to go down the reality TV route."

"Sam thinks Ferne's just a low-rent version of her, while Ferne feels Sam is jealous and bitter."

Ferne's show, *First Time Mum*, has been commissioned for a three-part series.

Insurance scammer made son shoot him

A CONVICTED white-collar criminal persuaded his son to shoot him in the leg as part of a staged insurance scam.

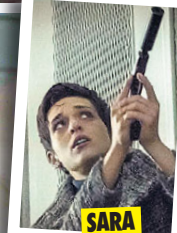

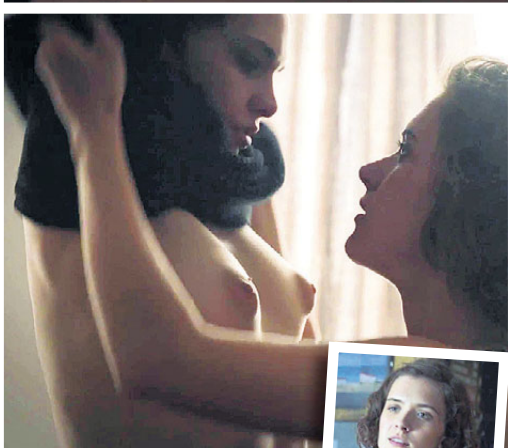

US District Judge Anna Brown called Shannon Egeland's plot and the shooting, which led to the amputation of his left leg, "an unthinkable kind of situation".

She added three years and 10 months to the Oregon developer's 10-year sentence for mortgage fraud.

The additional time resulted from Egeland (*above*) pleading guilty to conspiracy to commit fraud in the elaborate insurance scam.

Jen told to give back £500,000 engagement ring

ACTOR Justin Theroux is demanding his ex-wife Jennifer Aniston give him back his BEAUTY products and her ENGAGEMENT RING.

The 46-year-old (above) is desperate to retrieve his special skincare products and a selection of toys from 49-year-old Jennifer's Bel-Air mansion.

He's reportedly been holed up in his New York apartment since the couple split late last year after their two-year marriage and also wants back the £500,000 ring he gave to the *Friends* star.

A source said: "Justin wants his prized train collection, his stash of Kiehl's and his orthopaedic pillow."

"He also wants his action-man figures, model airplanes and limited-edition comic books."

Jennifer is reportedly furious over the ring.

A source added: "It's getting ugly. Tradition states she should keep the ring."

"She's offended that he's seemingly thinking more about possessions than her feelings."

Four Seasons flasher nicked

A MAN was nicked after flashing his WILLY at fellow guests at a hotel.

Harry Hutchinson, 43, was arrested after he exposed himself by the pool of the upmarket Four Seasons Hotel in Palm Beach, Florida.

When police knocked on Hutchinson's hotel room he answered the door completely naked.

With slurred speech and smelling of alcohol, he invited them into his room where they saw several empty booze bottles and marijuana.

He was charged with disorderly intoxication, marijuana possession and resisting arrest.

DENISE WELCH:

DEMANDS: Babe tells her toy boy lover what she wants

I've never had so much sex!

LOOSE Women regular Denise Welch says she is having the BEST SEX of her life now she is getting older.

And the 59-year-old reckons getting on a bit means she's not as worried about how her body looks when she's in bed.

That means Denise can relax more and enjoy the sensation of being rattled senseless by her lover.

The *Geordie* actress said: "There's this taboo that sex is just for the young, but I can tell you it most definitely isn't."

"When you're younger there's an awful lot of pressure on how your body should look."

Confident

"But as I've got older I've learnt to love myself and I've become more body confident."

"I'm a size 12 with a bit of a tummy but I'm proud of who I am – and I take that into the bedroom with me."

By GARY DORAN
gary@sundaysport.co.uk

"I'm also not afraid to tell my partner what I want."

"When you're young you don't want to speak out so much."

"I was more of a people pleaser but now I'm not."

"It helps that my husband Lincoln is 15 years younger than me."

Russian plane crash kills 32

A MILITARY cargo plane has crashed as it was descending to land at a Russian air base in Syria, killing all 32 people onboard, Russia's Defence Ministry has said.

The Russian military said an An-26, with 26 passengers and six crew members onboard, crashed 1,600 feet from the runway.

The military ruled out foul play and blamed the fatal crash on a technical error.

Russia, a key ally of Syrian President Bashar al-Assad, leases Hemelmeem military base in Syria, near the Mediterranean coast.

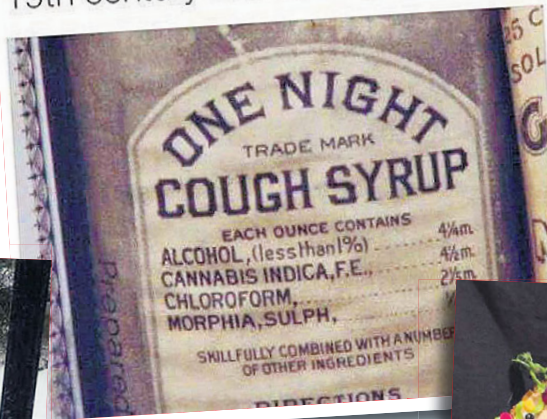

The base is far from the front lines of the conflict between al-Assad and various forces but it did come under shelling in December.

Singer held over drug girl's garlic 'exorcism' death

A POP singer has been arrested for allegedly killing a 20-year-old woman by shoving cloves of GARLIC down her throat.

Nguyen Viet Cuong (above), who performs under the name Chau Viet Cuong, was taken into custody in Hanoi, Vietnam, after the woman was found dead after a party.

The 40-year-old is said to have murdered the woman as part of an "exorcism", having become convinced she was possessed.

Nguyen and the victim, known only by her first name Huyen, had gone to a flat in Hanoi with two others in the early hours of Monday.

They then took drugs which caused them to hallucinate and a few hours later Nguyen and the victim had become convinced that they were possessed and started putting garlic in their mouths.

A local newspaper claims the singer then forced garlic down her throat while holding her down.

Cops found 33 cloves in the victim's windpipe, determining the cause of death as suffocation.

BOXER BARBIE!

Olympic champ Nicola gets her own doll

A **BARBIE** doll modelled on British Olympic boxing champion Nicola Adams has been unveiled to celebrate International Women's Day.

Doll maker Mattel said it was "proud to honour" Adams with the one-off "boxer Barbie" as part of its Shero programme recognising women who inspire girls with their achievements.

Adams said: "I'm excited and honoured to be Barbie's

first ever UK Shero – and the first ever boxer Barbie.

"Having my own Nicola Adams Barbie doll is so amazing and my hope is that everything I do helps more people realise they can do anything they put their mind to."

Other famous women who are also set to have dolls in their likeness released include US snowboarder Chloe Kim and Aussie wildlife adventurer Steve Irwin's conservationist daughter Bindi.

PART 1 THIS SUNDAY

**Bikini blogger's
offer of free sex
in hotel room**

A YOUNG Chinese blogger has been jailed for prostitution after an offer of FREE SEX caused a stampede to her hotel room.

Ye Mouyi (above), 19, going by the username Qianjin Yeye, posted to social media site Weibo and instant messaging app WeChat a short message containing her room number and exact address.

It read: "Somebody come get me ... Sex ... for free ... 6316" with a video of the woman in a bikini.

Police said the posts caused a flood of people to turn up at the hotel to knock on her door, while others called the front desk to inquire about the guest in room 6316.

Social media rumours claimed 3,000 people rang or showed up at the Hilton.

"I'm on my way to room 6316, hahahahaha, and here I am!", one man said in a video.

The incident is said to have happened in Haitang Bay, Sanya, on Hainan island of southern China.

NEWS@sundaysport.co.uk

SUPERMARKET giant Lidl is investigating a video which appears to show a member of staff repeatedly striking a cyclist with a leg of PORK.

The clip, which was shot in Derby, shows a man dressed in the budget supermarket uniform chasing a cyclist down a busy road and whacking him on the back with the packaged meat.

The bizarre incident, which happened over the weekend in Chaddesden, was uploaded to Facebook by Kiefer Bateman and has been watched at least 19,000 times.

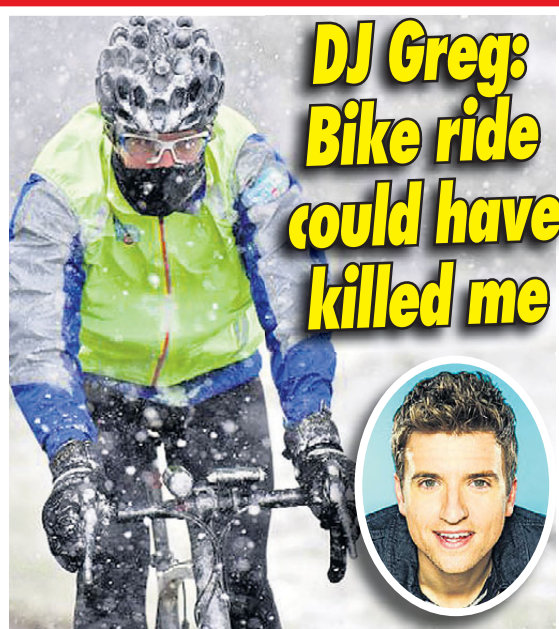

Cowering

The alert landscape engineer, 23, said he was in the 'right place at the right time' to capture the moment.

The footage shows a cyclist, wearing a dark hoodie, cap and tracksuit bottoms, cowering and ducking as he is repeatedly struck with the heavy packaged meat by the uniformed man.

A spokesman for Lidl said: "We were very sorry to hear of this matter."

"We do not condone any behaviour that could be considered inappropriate."

**DJ Greg:
Bike ride
could have
killed me**

GREG James has admitted he was "annoyed" that he had to call off his Sport Relief challenge because of adverse weather conditions that had become "life-threatening".

The BBC Radio 1 DJ was supposed to climb Ben Nevis after scaling Mount Snowdon and Scafell Pike, but he had to suspend the challenge on day four.

He said: "We had done two mountains in the most ludicrous

winter conditions. I'd cycled 200 miles out of the 500 I was meant to do.

"Because of the red weather warnings, it was just too dangerous to continue."

"It started out 'Let's see how can we push this guy, can we push him to his limits?' but then it actually turned out, on the last couple of days, 'This is actually life-threatening'. So it couldn't continue, obviously."

A BLOKE hit his girlfriend with a three-foot alligator and threw beer bottles at her during an argument.

David Havenner, 41 (above), who had been keeping the reptile in his bath, saw his exotic pet turned over to wildlife officials while he was charged with its illegal possession and assault.

Nancy Monico, 39, told police that Havenner first beat her up, then grabbed the reptile and swung it at her as she fled.

But he told cops in Florida that Monico bit his hand because she was mad at him that they had run out of booze.

Leah FRANCIS

By BECCA STUBBS

becca@sundaysport.co.uk

BUSTY blonde Leah Francis has a top tip for shagging DOGGY STYLE – to make a man go wild with desire.

Leah, 28, from Southampton, said that most women are pretty lazy when it comes to bonking.

But she likes to put extra effort in to make sex even better.

She said: "In doggy style, the bloke usually does all the work, and women can be quite lazy – they just take it."

Thrust

"But if you're good at it, you thrust your bum back against him."

"Depending on how fast you can control things, you can make a man literally explode!"

The 34GG babe posed naked for this seductive set of photos and said she absolutely loves stripping.

Mega-boobed Leah added: "Clothes are a pain so I prefer to be naked."

"I'm always naked at home – I'm a real fan of nudity...in fact I love it!"

Why straight women are hooked on LESBIAN PORN!

The pleasure on the girls' faces is 100% genuine

CASE STUDY 2

NATALIE Fox said: "Porn is porn, I never used to care what was happening as long as it was sex!"

"But lately, I've started watching lesbian porn and I've gotten really into it."

"I've never fancied shagging a woman, but since watching lesbian porn I can't help but fantasise about another woman."

"I found it hard to find porn where a man really takes time on the woman, pleasuring her and making her cum."

"Instead it was all deep-throat blowjobs and rough doggy-style shagging - which does get me horny but it doesn't have the same effect as watching another woman really get to know another fanny!"

"For me, the biggest turn on is knowing how good it feels when someone satisfies you for a good while like they do in lesbian porn."

"It feels amazing and the pleasure on the girls' faces is 100% genuine."

"Maybe I need to try it for myself instead of playing with my fantasy."

DESPITE the age-old stereotype that blokes can't get enough of girl-on-girl porn, it's actually STRAIGHT WOMEN who love lesbian porn.

Girl-on-girl porn was the number one search in 17 of America's states, making it by far the preferred genre of X-rated movies.

And last year, more women than ever viewed the kinky female films online as searches for the term 'lesbian' shot up.

Web giant Pornhub reported that 'lesbian' was their top search term throughout 2017.

New research has also revealed that heterosexual women are 132% more likely to search for lesbian porn films than men are.

Sex therapist Megan Fleming says there are good reasons why straight women are hooked on ogling the rug-munching antics on screen.

She said: "Porn is a safe way to realise what turns you on, but it doesn't necessarily mean you want to try it in real life."

Lesbian porn is more likely to appeal to a

CASE STUDY 1

We copied lesbo porn action - I've never cum so much!

KIRSTY Michaels said: "Since watching lesbian porn, I've turned bisexual!"

"When I first started watching porn, the male-female porn didn't do anything for me and instead it was lesbian stuff which got me all turned on."

"I've had my fair share of cock and I was always disappointed they never really took time to pleasure me - even though the men always wanted a blowjob!"

"But one night, I was showing my best friend some lesbian porn online to show her what all the fuss was about and the next thing you know, we're copying what's going on."

"She started going towards my fanny with her fingers and we later spent hours in a 69 position licking each other, I've never cum so much in my life."

"Now whenever we're together we put on a new lesbian porno and copy the new stuff we see - it's really taken our girl nights to a whole new level!"

"Since then I've even starred in girl-on-girl porn shoots, like this one with Ella Hughes."

woman thanks to its female-friendly nature and the extended time taken on foreplay.

As well as foreplay featuring heavily in the majority of girl-on-girl movies, viewers claim there's a more sensual vibe in the films and the use of sex toys is also thought to be appealing.

Most of the film is spent focusing on pleasuring the women, instead of simply getting straight down to the penetration action.

Oral

Fleming added: "In lesbian porn, there really is a focus on oral sex and clitoral stimulation as the main event."

Many women have common complaints that their fellas don't take enough time on foreplay, so lesbian porn can be a gentle nudge in the right direction if women are watching it with their men.

Instead of looking for anything with some 'see-it-going-in' action, women tend to seek out porn which appeals to their needs and gives them most satisfaction.

Lesbian porn appeals to them thanks to its heavy attention on

satisfying women, something they might be lacking in their sex lives.

Award winning erotic filmmaker Erika Lust also says she's noticed a shift in more demand for films jam-packed with lesbian loving.

She said: "Women have always been told what to do with their bodies and with whom."

"For years, women were told that porn was degrading and that we wouldn't, or shouldn't, be turned on by it."

"Most of the lesbian films include oral sex and clitoral stimulation, there is more foreplay, use of sex toys."

"Basically, everything that women usually want in sex!"

CASE STUDY 3

I explode watching two women bonking

BLONDE babe Camilla Lockett said: "I love lesbian porn, it really turns me on."

"I'm not gay, The closest I have come is sexy photoshoots."

"But every time I log online looking for porn, I find myself looking for the girl-on-girl stuff."

"I'm not sure why, I've tried watching straight porn and male-female films but it just

doesn't have the same effect on me."

"I think it's because, for me, there's something a little taboo about me getting off by watching two women go down on each other."

"It's something that I know shouldn't turn me on, but it really does and I explode every single time I'm watching two women bonking."

WHEN you're working hard all week, it's easy to let shagging slip down your list of priorities.

But a WEEKDAY bonk has LOADS of benefits.

Although most people prefer to get jiggy over the weekend, a bonk during the week is just as important.

Sex expert Alix Fox said: "Simply switching up the day on which you do it can be a surprisingly effective way of spicing up sex, and re-energising your relationship."

"Plus, if you relegate intimacy to weekends only, it can actually up the pressure – it can feel as though you have a duty to, just because it's 'Sex Saturday', and that doing it is what you're always 'supposed' to do."

It's been proven that a midweek romp can make the monotonous working life that little less stressful – sex is a well-known way to relieve built-up tension.

Alix added: "Humping on hump day could be precisely the dose of escapism and stress relief that you need."

"Forget the deadlines, put your boss to the back of your mind, and just think about each other for that time."

If you're both too tired at the end of the day, switching the nookie to the morning is recommended to make the most of the midweek shag.

Quickie

Alix said: "Try moving the action to the morning, when you have more energy – I thoroughly recommend a cheeky quickie in your morning shower to have you smugly smirking during your commute."

Sport stunner Jasmine Foxx revealed how she manages to clock off so she can strip off and get frisky during the week.

The 36D topless beauty said: "Morning sex is my go-to method. I love waking up and starting the day with a bang."

"I love shagging in the shower, too – not only do you get a soapy sex session squeezed in but you both multi-task by getting freshened-up."

"It can be hard at night when there's overtime to do at work and it gets really busy. But if I want a bonk, I'll fire off a sexy text to my fella earlier in the day."

"Once he's got that ping on his phone I know he won't be staying any longer than he needs to at the office and we'll be having a fiery night in together later on!"

#MY SEX FANTASY

Angel Wicky
Age 28, 32DD-26-36, from ReadingBy JAYNE FERGUSON
news@sundaysport.co.uk**MASSIVE-boobed Angel Wicky says the idea of going DOGGING gets her engine revving!**

The 32DD glamour babe said she's an exhibitionist who loves to fantasise about bonking in her car late at night, with lots of strangers watching.

And the 28-year-old said she'd show the audience of horny fellas just how well she can handle a gear stick!

Angel, from Reading, Berks, said: "The thought of going dogging gets me going – it's so naughty and taboo."

"It sounds a bit seedy, which is why it's such a huge turn-on for me, too!"

"Often when I'm about to climax, I imagine I'm going at it with my man in a parked car with lots of men stood around the vehicle, copping an eyeful."

"I'm not shy when it comes to my body so I know I'd put on a good performance!"

"I'd start off teasing them all – flashing a bit of flesh here and there, before getting carried away and stripping."

"I'd be turned on knowing there was an audience up close and watching as I suck on my man's hard cock."

"It would make me climax really hard knowing all eyes are on me."

"I'm such an exhibitionist, it would be like being the star of my own porn film!"

"After a while, I'd open the door and invite the strangers to get a little closer – so they can touch me, and I can lick and suck them..."

'I'd be turned on knowing an audience was watching us...'

XTREME PERVERSE FILTH!

THE WORLD FAMOUS AGONY Page

Dear Sam,

I HAD to laugh when I visited a pal of mine who's in the sex industry last month.

She said her previous client had been a bloke aged about 75, and though she tried for over an hour she failed to stiffen the eager old chap's limp old chap.

She claimed she'd tried wanking him with oil and even licked his balls, but without any success.

Then she did a striptease for him, talked absolute filth, let him sniff her panties and even sat on his face, but nothing she could do could get the old boy's penis to step up to the plate, as it were.

Frustrated and angry with himself, he apologised and said alcohol was probably to blame, and that he had better get hold of some Viagra for his next visit to her.

When she asked him when he'd last had a drink he told her it was when his wife left him...in 1993!

CT, Berks

Sam says...

YOU'VE got to give the old chap full marks for trying.

Dear Sam,

THERE is a barmaid in my local who gives blowjobs for a tenner and will let anyone shag her for £50.

I'll be the first to admit it's not the most classy of establishments but I've been going there regularly for years, especially since this lovely, keen and hardworking brunette started behind the bar.

I've boned her five times in recent weeks. It's usually in the gents, and there is always a queue, but she gives excellent value and lets me take my time with her.

I love the way I can cup her massive tits as I back-scuttle her over one of the bogs. She has this lovely technique of reaching between her legs and giving my balls a squeeze, which seems to make me harder and come like an express train.

I'm 60, and have been divorced three times but would love to have her as my new wife.

She's 25, single and has got four kids.

Do you think I should ask for her hand in marriage?

GH, Hants

Sam says...

GO for it. If you don't ask, you don't get!

Missus is calling me out after one night stand

Dear Sam,

I WENT to a fantastic bash last week and ended up shagging a really tasty brunette who was wearing a see-through blouse, a leather mini-skirt and black stockings.

It seems she was he was an old college pal of the party's host and was visiting from London specially.

As I chatted to her it was all I could do to stop myself from staring at her enormous tits, which were braless beneath her top, but I'm sure she knew that.

I moved in close to her and she was immediately responsive, and when I suggested we go upstairs to see if we could find a quiet

bedroom, she was well up for it, discreetly giving my cock a squeeze through my jeans by way of confirmation.

Once we found a bed we stripped off and she went wild for my eight-incher, taking it in all of her lovely orifices.

It was strictly a one-night stand for both of us, because we've both got regular partners, and I don't plan to see her again.

The problem is I left my phone there and my missus wants to know where it is.

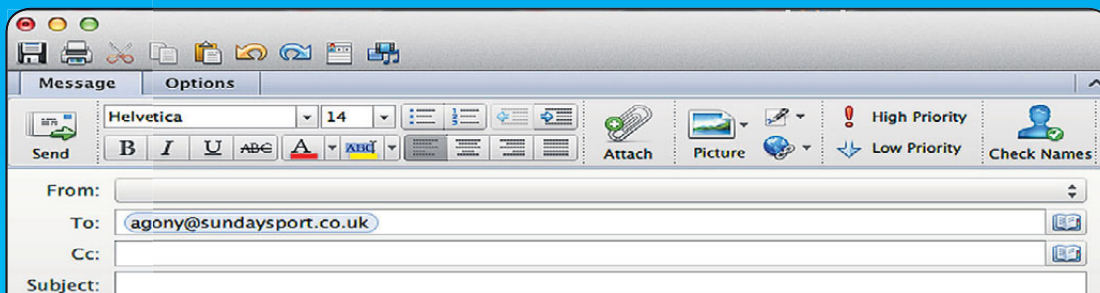

HR, Gwent

Sam says...

TELL her it got nicked!

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week SAM TYE has been reading through your letters. And here's her advice for you...

Should I let my chums play with the missus?

Dear Sam,

THE other Sunday afternoon my mate invited me and the lads to watch the footie round at his house.

His missus kept us supplied with snacks and beers and as half-time approached she disappeared up to her bedroom.

When she came back to the living room she was wearing a black PVC French maid's outfit with a tiny skirt and a low-cut front showing off her cleavage – she was absolutely stunning. Her husband was apparently shocked and went as red as a beetroot at first but he soon joined in the fun.

As she bent down to pick up some empty beer cans he got behind her and lifted her skirt and pretended to shag her doggy style.

"Come on, then, why don't you give me a length," she said as she bent right over so that her massive tits fell out of the front of her dress.

To our shock and amazement he obeyed, unzipping his flies, pulling out his cock, easing down her frilly panties and sliding his erection easily into his clearly aroused missus.

As he pumped away you could see the thrill and lust on her face as she looked at each of us in turn with a really filthy come-on look in her eye.

So as her hubby carried on giving her one from behind I slid over and slipped my hand between her legs.

I stroked her hot, hard clit and at the same time started undoing my jeans.

Sucking

She was keen to help and soon had my stiffening prick out and in her warm, wet mouth, wanking me and sucking at the same time.

At first the other lads cheered us, but you see they too were keen to get involved and were rubbing at their own parts.

Soon there were hands all over her, groping her boobs and fingering her

dripping pussy after her hubby, having emptied his ballbag, settled back on the sofa satisfied and watched his wife get reamed.

She was wanking and sucking off my mates with total enthusiasm, and we all had a turn at shagging her till everyone, including her, had reached a climax. It was a damn sight more fun than the football!

My problem is, am I expected to return the favour, and invite the lads round to mine next time? I'm not sure my missus would be quite as accommodating!

BK, South Yorks

Sam says...

YOUR friend and his wife clearly planned the whole thing all along. You need to sound your wife out first, to see if she likes the idea of shagging other men. She might!

Dear Sam,

Does hubby want me or strippers?

Dear Sam,

MY husband went for a night out with his mates to a strip club.

We've been married for eight years and trust each other, so I had no worries about him having an affair or anything like that.

When I heard the key scratching in the lock at about 3am on his return I was just relieved that he'd managed to find his way home OK.

When he got up to the bedroom he started to ramble on drunkenly about how fantastic all the strippers had been and how they contorted their bodies and fiddled with their bits and even played with sex toys while on stage.

Despite all the booze he'd obviously had, he was as randy as hell and slipped his hands straight down to my pussy.

He worked on my clit for a while before sliding first two, then three fingers

deep into me as I found myself at first annoyed and then getting more and more excited.

Then he climbed out of his clothes and on top of me and went for it.

I was soon on all fours as he rammed into me like never before.

I couldn't believe his incredible stamina as he thrust in and out for ages before we both had huge climaxes.

The next day he said that he and his chums would be going once a month to the strip shows.

I nervously agreed, thinking that at least I would get a real shafting out of it – even if it was only once a month.

But since that visit he's always after me for sex and I reckon when he's giving me a rogering he's really thinking about all those strippers.

What do you think?

MJ, South Yorks

Sam says...

DOES it matter? It's you he's shagging, after all.

STEPH MARTIN

FITNESS instructor Louis Cox says there's only one woman he wants to give a personal workout to and it's busty blonde Steph Martin.

Louis, 31, trains a number of clients at a gym in Bangor, Wales, but he says he'd clear his busy schedule to train 25-year-old stunna Steph, from Maidenhead in Berkshire.

He said: "There's loads of fit girls in the gym but there's no girl that looks like Steph – she's got everything."

"To see her squatting in the gym and those 34D norks in a tight little gym top would be a dream – I'd even squeeze some extra activities in too."

INKED UP beauty Hayley B is this week's **SpearMint Rhino Girl of the Week.**

And it's no wonder the 30-year-old stunna has a sensational figure which she has literally covered in intricate tattoos.

And she showed off every inch of her body art in this raunchy photo shoot.

Hayley, who flaunted her 32F norks and peachy derriere, is also a webcam model and self-confessed geek.

But she likes her men to be rough and ready between the sheets.

Dirty

Birmingham-born Hayley told the *Midweek Sport*: "Obviously I'm tattooed but I'm pretty geeky, too, and I love creating content just as much as I love webcam modelling."

"A man who's rough, hard and dirty is my ideal sort of fella and if he can make me laugh as well then that's even better!"

"If you're too nice or too boring then don't waste your time with me – I need a man who can keep me on my toes."

SpearMint Rhino has a number of gentlemen's clubs around the world which boast the most beautiful dancers.

If you can't make it to a club, you can find SpearMint Rhino Girls at boxing and Mixed Martial Arts (MMA) fights around the country, or at the British Superbike rounds.

CHELTENHAM FESTIVAL – JUST SIX DAYS TO GO!

Squeaky bum time as Nicky aims for big three

HENDERSON NERVOUS ABOUT HIS CHELTENHAM SUPERSTARS

NICKY Henderson admits it's "scary" having such a strong team for Cheltenham.

The 67-year-old is one of the most experienced trainers in the game — but even he is feeling the pressure so close to the Festival.

He has three strong favourites for the big races with Altior in the Champion Chase, Champion Hurdler Buteur D'Air and Gold Cup jolly Might Bite.

At this stage, all Hendo wants is to get his stars to the track in one piece.

He said: "The last bit is

By **MIKE FRANCIS**

always nerve-racking and it is for everybody. It is exciting of course it is. You half dread it and you half look forward to it.

"As you get older you can probably live with it, but it keeps you on your guard."

"You can't afford to shut your eyes, you have got to be very careful from here on and take what comes."

"You are in the nervous nights now when you get to this stage of it. Their racing is done, now it is just the preparation."

"Every day is a scary day

as anything can come and bite you. Touch wood, they are all in good shape at the moment. You have got to keep your head down and there is not a lot else you can do."

Exciting

Henderson admits that there is pressure thanks to the expectation of connections and the racing public that his hotpots will do the business.

He added: "Everyone wants a bit of it and that's fair enough, that is the position we are in."

"There is anticipation and

it is exciting as you know you have got good horses and they are not the only ones, there is a cavalry going there. They are all as important as each other."

"I'd rather be in this situation, with everybody knocking on the door every day. The day when nobody is knocking on the door is probably the day to give up."

"You always say you would settle for one and you would but when you have got these sort of horses, you don't get that many chances of winning a Gold Cup, Champion Hurdle and Champion Chase in the same year."

There is still a long way to go and a heap of opposition out there, nobody is going to give anything away and it will be tough."

"We've been lucky in the Champion Hurdle and have won quite a few, but it doesn't mean I don't mind not winning it - I mind like hell."

"The amazing thing in the Champion Chase is having said goodbye to Sprinter Sacre, within two years there is nearly a follow up to him. Altior has got a long way to go to fill Sprinter's boots, but he is going the right way."

COMEBACK: O'Brien

Edwulf back for Festival fairytale

EDWULF is bidding to add another chapter to his amazing fairytale.

The chaser almost lost his life at last year's Festival — and now he's going for the Gold Cup with a live chance.

Edwulf collapsed after the National Hunt Chase and was down on the course being treated by vets for 90 minutes.

He got back to his feet but nobody expected to see him on a racecourse again.

But not only has he made it back, he landed a sensational win in the Irish Gold Cup at Leopardstown last month.

That has pitched him into the mix for the Blue Riband next Friday.

Trainer Joseph O'Brien — son of legend Aidan — has done a brilliant job to get Edwulf back and even better than before.

He believes he deserves his place in the line-up and could pull off another amazing victory.

O'Brien said: "He's good enough to win a Gold Cup."

"He's in good form and he's well entitled to take his chance. You need luck and we'll see what happens."

Incredible

Top Irish amateur Derek O'Connor rode Edwulf to victory at Leopardstown and is likely to keep the ride at Cheltenham.

He is more than hopeful of another big run, adding: "It's an incredible story with the horse. Just to be part of it and to ride a prestigious Grade One winner for Joseph was a jockey's dream."

"The medical team and vets at Cheltenham and the racecourse were all absolutely incredible. Thanks to them all, it paid dividends."

"Without it I wouldn't have had a Grade One winner in an Irish Gold Cup. It was amazing what they did."

"I'm hoping he has a good chance. He has come out of his Leopardstown win well and Joseph is quite happy with him, but it's a competitive Gold Cup."

"There's a good few horses with an open chance — Might Bite, Native River, Sizing John, Our Duke — there are four or five horses there you'd say could win it."

"You wouldn't be surprised and you've got to respect them."

NERVOUS:
Henderson

THE WINNING POST

Warrior's a killer

DAVID Griffiths couldn't have appeared any more confident than he already did prior to WARRIOR'S VALLEY (NAP) win at Southwell on Sunday.

He stated that he thought he was a very well handicapped horse and he was proved to be right as Oisín Murphy charged to the front and never looked back.

Given he is only a three year old and Griffiths does so well with these sprinters I can only presume there will be more improvement to come and he looks very well in at the weights again today. Murphy retains the partnership and I think they can double up quite comfortably.

MAMBO DANCER looks a typical Mark Johnston horse given how tough and consistent he has been through the winter so far. He probably

By **BEN MORGAN**

faced an impossible task last time out as he bumped into a well handicapped horse on the up.

An easy task is far from what he faces today as there are a few interesting types in against him, but given he is in such rude form and he is guaranteed to give his running I hope it will be enough to notch up another victory.

Ryan Moore's presence aboard STAR ARCHER gives you some indication of the confidence that connections have in him. After missing the whole of 2017 through injury, he is making up for lost time after recording two back to back victories at Wolverhampton.

The form of the second of those Wolverhampton victories was boosted on Monday as Mount Tahan beat a strong looking field at the same

course. Therefore a a mark of 96 still looks lenient for Star Archer and I think he can take this before making his presence felt on turf.

National Hunt fans are obviously champing at the bit to get stuck into Cheltenham next week but there are two good cards at Catterick and Fontwell today.

CASTERLY ROCK can reward favourite backers at Fontwell as Richard Johnson's mount looks set to shed his maiden tag.

The form of his Ludlow second has been boosted since and he looks the type to progress again after a break.

He looks to be the main reason why the champ is at Fontwell today and he should reward that faith handsomely today.

Curran gets in the swing for England

CRICKET By NED TRUEMAN

TOM Curran is desperate to become England's No1 "death bowler".

The Surrey all-rounder has been trusted by skipper Eoin Morgan to deliver the late overs in the series against New Zealand.

He's done a pretty good job too despite his inexperience in all forms of the game.

The 23-year-old is doing all he can to add to his armoury of deliveries as the Three Lions build up to the World Cup.

With Chris Woakes and Ben Stokes in the side, England have bowlers who can keep the batters on their toes.

He said: "You have time in training to get a feel for all these different slower balls and if you don't try them, you're not going to learn."

Knack

"It's a gut instinct, and out there I make a decision and commit to it."

Curran isn't blessed with great pace and he's not a massive swinger of the ball — not at the moment anyway.

But he has shown a handy knack of keeping a clear head as he makes the batsmen guess at what's coming out of his hand.

Curran added: "I'm

CANNY: Chris Woakes

practising all the time, trying these new ones.

"There's obviously the knuckle ball, and there's other slower balls that are coming out. In games at the moment, I'm just using the two."

"But there'll be a couple more interesting ones coming out for the season so it's a work in progress."

Curran — son of former county stalwart Kevin — has made rapid progress to become a key part of the England squad.

He believes his willingness to mix things up has been a big asset.

He said: "I think you've just got to try things."

"A couple of years ago I just started practising different types of slower balls from the back of the hand, and they seemed to work."

"A combination of that and the off-cutter seems to be coming off."

EUROPA LEAGUE LAST 16:

88% WANT ARSE OUT!

Gunners supporters' trust members in massive vote for Wenger to leave

By PAUL THOMAS

ARSENAL'S most loyal followers want Arsene Wenger to lose his job.

The Arsenal Supporters' Trust asked their 1,000 members for their views on the manager.

And a staggering 88% of them want Wenger to step down as manager rather than stay on next season.

It's a sad way for the Frenchman's 21-year reign in north London to end.

But the Gunners are 33 points off Premier League leaders Manchester City

after losing four games in a row.

Given two of those were at home to Swedish minnows Ostersunds and at Brighton, tempers are clearly running high with the fans.

There were loud choruses of "Wenger Out" at the Amex on Sunday and the top four looks like a distant dream.

This is all the manager needs on the eve of a make-or-break tie with Italian giants AC Milan. Winning the Europa League is the

only way back to Europe's top table for the Gunners.

An Arsenal Supporters' Trust statement read: "In a survey conducted online and at tonight's AGM meeting 88 per cent of AST members vote for Arsenal ending Arsene Wenger's contract."

Defeat against Milan could see the other 12% changing their mind.

The Gunners' display against Brighton was nothing short of dismal.

As usual, several "star" players like Mesut Ozil went missing and others, like

Granit Xhaka and Shkodran Mustafi wouldn't have looked out of place in the Isthmian League.

All is clearly not well in the Gunners' dressing room with Jack Wilshere coming out and making a statement to the fans.

Better

The England midfielder is pleading with the supporters to get behind the team.

He said: "I'm sorry to the Gooners out there. You deserve better. That's all I have to say. I know it's difficult at

the moment in this difficult period we are going through as a team — but we need you. We will do better but please stick with us.”

Captain Laurent Koscielny is another big Arsenal player trying to bring everyone at the club together on and off the pitch.

He said: “It will be very hard to finish in the top four. We have a bad period and did not have the results we wanted.”

“We lost our confidence a little bit and on the pitch we didn’t have the confidence we need to push ourselves more

and to play well with the ball.

“We need to stay together, to fight together. It is a big period for us. We know it is difficult but you need to put your head down and work every day.

Difficult

“We need to win to have more freedom on the pitch and we need to stay together because it is a bad period but all the players, staff and fans need to know that we are all together. It is important to have everyone behind us.”

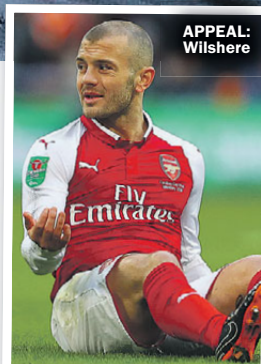

Koscielny admits that he’s

in the middle of the worst run of his entire career.

The 32-year-old added: “I think it has been difficult for everyone, maybe the first time for all of them. We try on the pitch to play but we can feel the players aren’t this confident to be efficient on the pitch.”

“We need to get back, train hard, work hard and then the results can come back and give us more confidence for the rest of the season.”

Arsenal need to pull together because although AC Milan are not the force of old, they’re unbeaten in 13 games.

READY TO GO: Serena

Serena happy to be back at turtle's pace

TENNIS

SERENA Williams says it’s good to be back on the tennis tour — even if she has to play at a “turtle’s pace”.

The 23-time grand slam singles champion returns to action this week after the birth of her first child.

Many thought the 36-year-old would take this opportunity to call it a day — but Serena is having none of it.

She wants to keep playing until her six-month old daughter is old enough to see her in action.

But Williams admits that the road back to pro tennis has been tougher than she expected.

Serena said: “It’s been really, really difficult but I keep going and I know that I might not be at my best yet, but I’m getting there and every day is a new day and every day I should be getting better.”

Swing

“As long as I’m moving forward, even if it’s at a turtle’s pace, then I’m OK with that.”

Williams has extra reason to find life tough after almost dying giving birth.

She needed emergency surgery after a Caesarean section and it was tough and go for a little while.

But even that hasn’t

SISTER ACT: Venus

stopped Williams from getting back into the swing.

She is adamant that she can do herself justice, like her older sister Venus.

She added: “I’m ready, or else I wouldn’t be here,” she said.

“If I’m not ready now, I’m just never going to be ready. I feel in two months I’ll be way better than I am now, but you have to start somewhere.”

“I don’t want to keep sitting on the sidelines and thinking about it.”

Williams looked quicker than a turtle when beating Marion Bartoli in the Tiebreak Tens competition in New York.

She added: “My expectations, I don’t know what they are.”

“I can’t go and say I expect to lose because that is something I will never say.”

“It’s just a little different. I’m just expecting to see where I am more than anything.”

WITH HIS SPORTING ODDS AND ENDS

Premier League 5/4 for CL glory

BIG NIGHT:
For Dele Alli's Tottenham

THE stats suggest Spurs have a great chance of making the quarters of the Champions League this evening given 10 of the 12 sides who drew the first leg 2-2 away from home have progressed.

It will not be easy, however, given Juventus have a rich pedigree in the competition, have lost only one of their last seven away games in the knockout stages and have kept a clean sheet in their last three.

That said with Spurs two away goals in the Allianz Stadium Juventus are likely to need to win at Wembley and I hope and expect that to be beyond the Serie A side.

Spurs are 23/20 to win the tie at BetVictor with the draw at 12/5 and Juve at 5/2. Mauricio Pochettino's side have won their last four home Champions League games at Wembley and scored three each time including against Real Madrid and Borussia Dortmund.

Harry Kane has scored nine in his first nine Champions League games and the England striker is 10/3 to open the scoring and 21/20 at BetVictor to find the back of Gianluigi Buffon's net during the 90 minutes. Spurs were one of only three

ENGLISH SIDES HOLD STRONG HAND

teams still unbeaten in the Champions League going into the second leg ties (Barcelona and Liverpool the others) although they were still 14/1 with BetVictor to lift the trophy. The Premier League is 5/4 to host the winners and the hope is we have at least half of the teams in the last eight.

Man City are unbeaten in their last 12 Champions League games at the Etihad winning each of their last four ahead of the visit of Basel this evening. The Swiss outfit have won their last two away games in the Champions League at CSKA and Benfica, but that was in the groups and they have lost their last two away games in the knockout stages by a combined score of 11-0!

Sky are televising Leeds v Wolves from Elland Road and the Championship leaders are 21/20 at BetVictor with the hosts 3/1 and the draw at 5/2.

The Molineux outfit will be only three points clear at the top-of-the-table if Cardiff have beaten Barnsley last night although Wolves

were 1/20 to lift the title with BetVictor with the Bluebirds 9/1 and Villa 25s.

Leeds are 25/1 for a top six finish and the tip this evening is for both sides to score at 20/23 with BetVictor.

★ Ruby Walsh has been the leading rider at the Cheltenham Festival on no fewer than 11 previous occasions and the jockey looks to be winning his race-against-time to be back in the saddle next week having been riding out at the Willie Mullins' yard since the weekend.

Walsh is 4/6 with BetVictor to be top jockey at the Festival and reported on Racing UK yesterday that all was well with his day one fancies Getabird (6/4 with BetVictor) and Footpad (11/8 with BetVictor). Walsh also admitted he was "in a quandary" as to what his Gold Cup ride would be with the progressive Hennessy winner Total Recall, the unexposed Killultagh Vic and dual Gold Cup runner-up Djakadam all in the frame.

There is a good novice hurdle to open today's card at Fontwell with last time

out winners Boreham Bill and Golden Sunrise (2.10) giving 7lb to the promising Reikers Island preference for the Colin Tizzard-trained runner is marginal.

The selection, like many in the yard, was not at his best around the turn of the year but this step up to 2m 5f should suit a horse who I think could make up into a very good staying chaser in time.

Boreham Wood would be giving the selection 3lbs if this were a handicap but a bigger danger may be the Philip Hobbs-trained Reikers Island who pulled hard but was still in with a chance when coming down two out on his rules debut. The latter won a point over three miles in his native Ireland and a market move would be worth noting stepping up in distance.

Euxton Lane (2.40) must go close in the Maiden Hurdle having run a race full of promise at Southwell last time behind a horse (Global Citizen) who has since won a Kempton Grade 2 by a long looking nine lengths.

FUTURE:
Lallana

Klopp backs Lallana to be Kop regular

JURGEN Klopp can't wait for Adam Lallana to be fully fit again.

The Liverpool boss has poured cold water on talk that the England midfielder's time in his first team was coming to an end.

The former Southampton playmaker has struggled with injuries over the past two seasons — and seen Alex Oxlade-Chamberlain signed in his position.

Klopp believes he rushed Lallana back too soon after the 29-year-old missed the first three months of the campaign with a thigh problem.

That led to the type of muscle strain players pick up when they are not fully fit.

But Klopp is adamant that Lallana has a big part to play in his midfield.

Setbacks

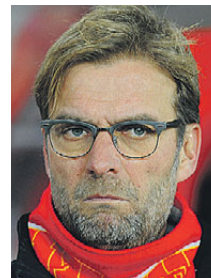

The German said: "Even with the competition we have it is usually not a problem for Adam because he is so important to us but he needed time."

"Life is to learn from your mistakes and we all have to learn."

"Adam, myself and the medical team — we made this mistake. He looked fit but obviously he was not."

"Two little setbacks, not the biggest setbacks, but in and out, in and out, and that makes no sense. Now we have to build with him."

"He is coming closer

MISTAKES: Klopp

and closer but of course now he has no rhythm, which is another thing. "We still need him, we will use him still."

"He is cool, he sees the quality of the team is good, but he is always one of the guys who push the level in training on to the next level because he is always so intense in all the things he is doing."

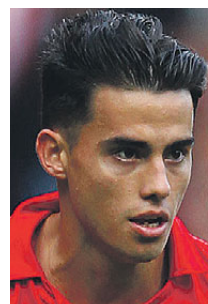

"The time will come for him 100%."

Liverpool have again been linked with Real Madrid forward Isco who plays in the same sort of area as Lallana.

There is also strong talk of former Red Suso returning to the club after his blossoming into a top-class player for AC Milan.

He is thought to have a £40million release clause in his contract and that could turn Klopp's head this summer.

The 24-year-old spent eight years in the Anfield academy, making 21 appearances before leaving in 2015.

MY RIBBON IS HERE TO STAY

WANTS WINS: Bertrand

It points to the drop says Saint Bertrand

PEP Guardiola says he WILL wear his yellow ribbon in support of Catalonia against Basel.

UEFA regulations don't ban "political symbols" like the FA so the Man City boss will continue to state his support for his home area's independence.

Football Association chief Martin Glenn has apologised for his comments after comparing symbols like the Star Of David to the Nazi swastika. And Pep thinks he was right to do so. He said: "Mr Glenn has apologised. My first impression is that he doesn't understand what the yellow ribbon means."

"It is not about independence. It is about people being in jail when they did nothing to deserve it. It is as simple as that."

"He didn't understand the reality. I am pretty sure he does now."

Guardiola is determined to keep focus on the field and believes his City side cannot take titles for granted this season.

He admits that they are within touching distance of the Premier League — and they have one foot in the European quarter-finals too.

Pep said: "We are so close. I'm not going to say we are not going

Manchester City v Basel

to win. We need four wins for the title and it is in our hands.

"We are almost in the quarter finals of the Champions League and almost champions of the Premier League. But football is not done until it is done."

"The Champions League is a dream for all the teams."

City have a comfortable 4-0 first-leg lead against the Swiss side who know they have no chance of turning that around.

But Guardiola wants his players to consider the score 0-0 as the game kicks off.

He added: "Against Basel, we start from zero. In knockout games you have to look at what you did in the first game."

Special

"To not make mistakes is about being focused on what you have to do."

"It's a Champions League game and that is something special. In football anything can happen."

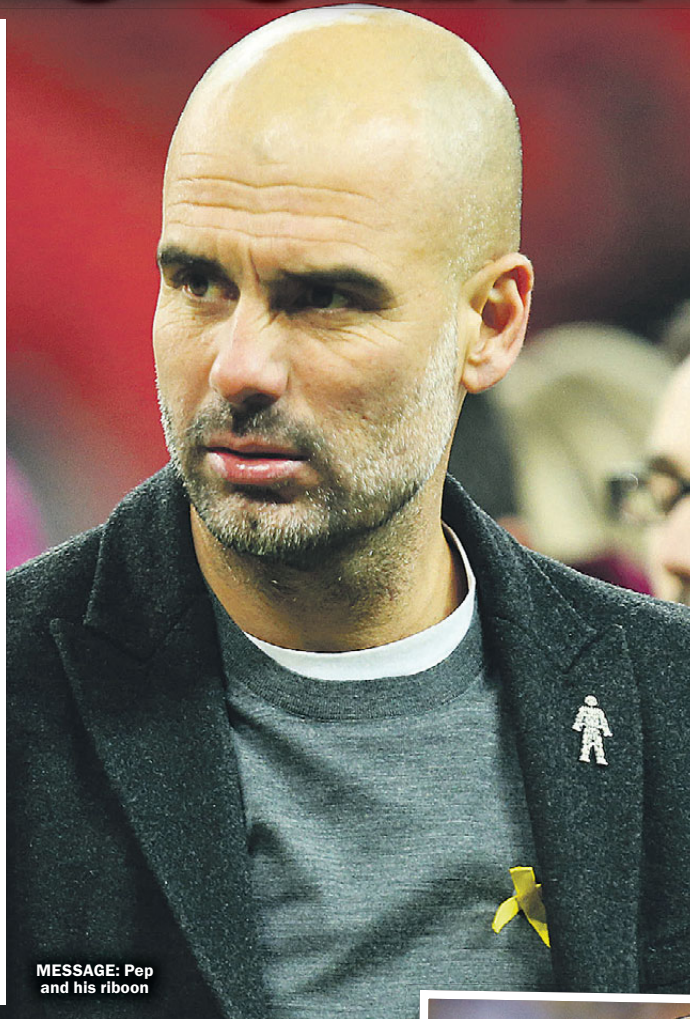

"Look at Arsenal in the Europa League."

While many pundits are saying this City side is as good as the Barcelona team he led to the Champions League, Guardiola is having none of that.

He believes the Blues have a long way to go before reaching that level.

He said: "It is not good to compare us with them. That team dominated the last 10 years. We just won our first title."

"To be compared with these teams you have to be there for many, many years. We've just won one title."

BASEL: No match for City

SOUTHAMPTON defender Ryan Bertrand says the Saints MUST take three points from fellow strugglers Newcastle this weekend.

The south coast side are in trouble largely because of 13 Premier League draws this season.

The Saints kick off one place below the Toon making it a real six-pointer at St James's Park.

Bertrand said: "Everyone needs to stand up, and you can't do anything else but look forward because the table is still very tight."

"There are a lot of positives to take from how tight it is, so we just need to get the goals in and turn these goals into wins and it's a completely different story."

"We need to get our wins, especially playing the teams close to us."

"Draws are just not good enough for us at the moment."

Newcastle's Christian Atsu agrees that another point would be of little use to either team.

He said: "The players don't need to be told how important this game is for us."

"We must control what happens after Liverpool and our main focus is to get the three points at all costs."

"The focus is to stay up. But to do that we have to win our next game so we just need to win that."

"Then we will look to win against Huddersfield too. Our game against Southampton is the most important game for us because it's the next one."

TIME TO GO GO SAYS NUNO

WOLVES boss Nuno Espirito Santo has warned his players not to get complacent at the top of the Championship.

The Molineux men head to Elland Road with a much reduced lead over their promotion rivals.

With 12 games of the season left, the title is still very much in their hands.

But Nuno has issued a warcry after a dip in results over the past couple of weeks.

He said: "We have to work harder with more focus than ever because these moments require total togetherness and the same spirit."

"All over the pitch we have to

be good. We cannot allow anything to distract us or take us off our ethic. Nothing changes."

"We know we'll have the support of our fans, they've been there all season."

Leeds could do with a boost too after being spanked 3-0 by Middlesbrough last time out.

It looks as though United's bid for a play-off spot has hit the buffers.

Newish manager Paul Heckingbottom has failed to have much of an impact since

his move from Barnsley last month.

He is looking forward to welcoming the league leaders to Elland Road.

He said: "It's probably the perfect game."

"The best team in the league so far, at home, big crowd. Perfect game for us."

Heckingbottom has a big call to make about playmaker Pablo Hernandez.

The Spaniard is just back from injury and could be fit to start against Wolves.

He was a big miss in the defeat against Boro and the boss would like to pick him.

But rushing the 32-year-old

back too quickly could see him back in the treatment room for the rest of the campaign.

Heckingbottom said: "He's not been training which is not ideal for us but he's not missed a long time so that's a good thing."

"He was performing well before he got injured, he'd impressed me and he did well."

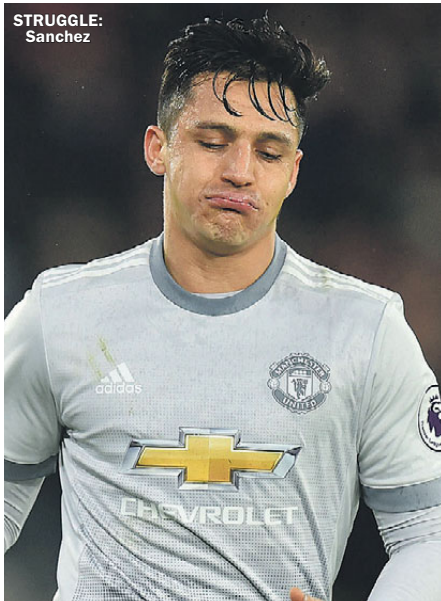

"He came back when I first took over and performed well but it was a bit of a hectic schedule and he broke down with a similar injury."

"We have to be mindful that we want him fit for every game between now and the end of the season."

RALLYING CRY: Nuno Santo

STRUGGLE:
Sanchez

Alexis 'poor' since making United move

ALEXIS Sanchez has been "poor" for Manchester United since his move from Arsenal.

That's the verdict of Old Trafford legend Gary Neville who hasn't been impressed with the Chile hitman.

He believes the 29-year-old was particularly poor in the comeback win against Crystal Palace on Monday night.

The Reds scored three times to stun the Eagles — but Sanchez didn't have a lot to do with the turnaround.

Neville said: "He was trying to play one-tvos from 40 yards from goal. He is no good from there."

"For me, I see Alexis Sanchez as being at his best in the left channel, attacking defenders, committing them, playing one-two combination."

"He has to try and get in those positions for Manchester United."

"I just don't think he is at his best when deeper."

Better

"He has tried him everywhere else and it hasn't really worked. What I think he has to do is get him out of the centre of midfield."

United defender Chris Smalling had another difficult evening alongside Victor Lindelof in the heart of Jose Mourinho's back four.

But he loved the comeback and says it reminded him of his

MEMORIES: Smalling

days under Sir Alex Ferguson when late wins were the norm for United.

Smalling — who will need to play better against Liverpool at the weekend — said: "There's not been many games where we've come back but you can see how close we are as a group that everyone celebrated together, and how much it means to us, because that was a huge win."

"We showed a lot of character. Before the game we knew how important this was to really try and make a gap with the other teams, so it's such a great feeling."

"We dug in, and you could see from the celebrations at the end how much that meant to all of us."

"It shows that no matter how bad we might be playing in that first half, that we can go after teams."

"And doing it away from home makes it a huge win."

JUVE GOTTA HAVE FAITH

Kane: Spurs can cope with being favourites against Italian giants

HARRY Kane says his Spurs team-mates can cope with the pressure against Juventus.

Most pundits make the Londonders favourites to get past the Italians at Wembley.

That's after they battled back from conceding two early goals to come away from Turin with a 2-2 draw.

After beating Real Madrid at home in the group stage, Tottenham know they are more than capable of making the quarter-finals.

And Kane is confident they

By JOHN ANTHONY

can cope with the greater expectation on their shoulders.

He said: "Probably we were not the favourites before but people are looking at us after that performance at Juventus and saying we should go through now."

"We have got to cope with that and see how we come through it."

"We know we played well out there and on another day we could have won but we are not getting carried away."

"We know it is a big game."

Champions League nights are what we all want to be involved in and this is a chance to get into the quarter-finals.

Difficult

"Of course there will be a bit more added pressure and maybe more nerves, but that is why we play football."

It shows just how far Tottenham have come under Mauricio Pochettino that they would be massive disappointed if they lose against Juventus.

Their strong showing in

the most difficult group against Real and Borussia Dortmund underlines how they deserve to be at Europe's top table.

Kane said: "We made a big step in that aspect by what we did in the group stage, and now we have got to try and do it against the big teams consistently."

"We are in great form and have played against a lot of great teams recently and done well."

"It is important we carry that on."

quarter-finals will give us a lot more confidence." Tottenham would make the final eight with a 0-0 or 1-1 draw thanks their two away goals from the first leg.

Negative

But Kane knows it would be a dangerous game to play for a stalemate against a potentially difficult team.

He believes Mauricio Pochettino will want them to attack. He added: "We have got to try and win the game. We know they need to score but we cannot go into

the game with any negative thoughts.

"The way we play and the way the manager sets us up in every game, we are always on the front foot, always pressing, always playing attacking football.

"That is the way we play. We are going to try and win the game.

"If it gets to 80 minutes and it is still 0-0 then we might have a different approach but from the start we will press high and try to create as many chances as possible.

"We know it will be tough but we played well away from

home and hopefully we can take it into this game."

Tottenham need to make sure they are Champions League regulars to fill their new stadium.

They will move from Wembley into the new White Hart Lane in time for the start of next season.

Haringey Council have just approved the club's application to raise the capacity to 62,000.

That will make it the second biggest club ground in the capital after the London Stadium and second only to Old Trafford in the country.

ON ATTACK: Pochettino

NOT HAPPY: Eden Hazard

Hazard move looking like the Real deal

EDEN Hazard has moved a step closer to signing for Real Madrid this summer.

The Belgian has reportedly told his agent he wants to leave Chelsea and head for the Santiago Bernabeu.

Hazard was fuming at manager Antonio Conte after the champions' meek surrender at Man City over the weekend.

And that has made up his mind to get out of London after the World Cup.

Hazard said after the Etihad drubbing: "When the manager plays me up front I try to give everything.

"But we haven't played a good game and for me personally it's difficult to play a good game when you only touch the ball three times.

"I think that when we had the ball we should have done better, we made some bad decisions too."

Chelsea do have some hope of keeping Hazard this summer.

That's if Real decide to give Zinedine Zidane the bullet.

The Frenchman is under extreme pressure after falling way off the pace behind Barcelona in the Spanish league race.

He's a massive admirer of Hazard and the main reason why the Belgian would head for the Spanish capital.

There are even rumours in Spain that Zidane may end up as Chelsea boss if and when Conte walks at

the end of this season. Zidane has made Hazard his No1 target for the summer.

That would mean the end of the Ronaldo, Benzema, Bale axis in attack.

Former Barcelona gaffer Luis Enrique is thought to be at the top of Chelsea's list of new managers.

Reports in Spain say the club has opened talks and will make a firm move this summer.
